WHY JOIN IMAS?

Innovate

Be part of the collective voice to spearhead exciting initiatives for the industry

Make a Difference

Work closely with regulators to exchange views and formulate policies

Access

Invitation to exclusive IMAS events and preferential rates for learning content

Synergize

Connect with industry ecosystem players on international best practices and increase your firm's visibility

ABOUT imas

Established in 1997, IMAS is the representative body of the investment ecosystem in Singapore. Together with investors, fund managers, regulators, fintechs, and other service providers, we promote professional standards, provide industry insights, and advocate for the development and growth of the investment management sector in Singapore and beyond.
