## Let's Invest Together!

Win Attractive Prizes at Digital Summit\*

Stand a chance to win attractive prizes by competing for the top spots on the live leader board, or by simply participating in the **Let's Invest Together! (LIT)** game at the Digital Summit on 20 April 2022.

LIT is the latest mobile investment game prototype using real data to simulate actual investment outcomes that can help investors better manage their investment portfolios. The result of cross-industry collaboration between fintechs, asset management firms represented by IMAS' Gamification Working Group, with inputs from SGX Group, MoneySense and CPF Board through the Digital Accelerator Program, this game is available on iOS and Play Store.

**Download & play now!**

Use referral code **"IMAS"** when registering for an account in the game.

Prize Sponsors:

\* Terms and Conditions:

1. Competitors need to attend the Digital Summit in person or virtually, and reside in Singapore
2. Top 3 positions on the leaderboard as of 20 April, 16:30H will be determined as competition winners.

## ***iLearn Programme***

*iLearn: Your one stop training portal for curated programmes for the asset management industry.*

Learn about different machine learning algorithms and deep learning techniques to build an optimal investment portfolio through our latest **Data Science in Asset Management** offering on iLearn!

This unique course seeks to marry Python programming with Asset Management concepts and will help you in your daily work in portfolio construction, adjusting composition, improving forecasts of expected returns and optimising portfolios. Accredited by the IBF, this programme is eligible for FTS funding.

*"Live code-based approach was benefitting" - Equity Research*

*"Nice blend of theory and examples" - Technology Operations*

Contact IMAS Secretariat at 6223 7213 if you are keen to sign up for the next run in 2H2022.
